

## *Official notice of initiation of a new licence stamp ISIA BLUE LEVEL STAMP*

At the beginning of 2023/24 ski season International Ski Instructors Association (ISIA) is implementing a new licence stamp ISIA BLUE LEVEL STAMP into the system of licensing in addition to the highest rank licences (ISIA STAMP and ISIA CARD). The ISIA BLUE LEVEL STAMP is intended for level 1 ski instructors.

Following the modification of licensing methods of the IVSI organisation we decided the licensing method of Slovenian Ski Association - SITAS members (SAS-SITAS) shall be adjusted to the ISIA organisation standards.

In accordance with recognised quality standards of the international ISIA organisation the ISIA BLUE LEVEL STAMP licence holders are professionally qualified level 1 ski instructors (Professional 1) who were the IVSI licence holders in the past.
